The aim of the Conference

The purpose of the 17th Conference is to bring together people from academic, industry, and government organizations. Moreover the aim is to exchange ideas and to strengthen cooperation between Polish and American partners in the area of innovation and high technology. The Conference has the aim to identify the condition and direction of development of Polish-American relations in the field of science and technology, and the challenges and problems associated with their implementation.

The 17th Polish – American Conference will touch upon main themes:

- Advances in Aeronautic Technology,
- Electric Propulsion,
- Defense,
- Advanced Manufacturing,
- Space Technologies,
- Aerospace Workforce Development.

For whom?

We invite and encourage you to participate in the 17th Polish-American Conference on Science and Technology. The Conference is targeted towards:

- Members of government bodies and organizations related to science and technology,
- Academic researchers in aerospace and aviation, energy and environment, defense and security,
- R&D experts and managers,
- Industry members,
- Any other individual with an interest in the conference topics.

Participation in the Conference

Authors who wish to present their papers at the Conference are kindly requested to submit their abstracts in the English language (max. 400 words) as soon as possible, however, no later than by 27th March 2017.

The deadline for submissions of presentations which will be presented during the Conference (in Power Point or pdf) is 12th May 2017.

The deadline for submission of the full texts for publication is 22nd May 2017.

The submission of a paper implies the Author's consent for it to be published in the eleventh issue of "The Journal of Polish – American Science and Technology".

Speeches and printed texts are accepted in English only.

In the case of a large number of applications the organizer reserves the right to select the topics presented at the Conference.

Participation in the Conference is free of charge.

Participants book and cover the costs of accommodation and travel on their own.

If you wish to sign up for the conference please fill in the registration form on the website www.ilot.edu.pl/pac.
